Dear players,

Thank you for joining us in the SBC Spring Swiss Teams! There were 16 teams competing on the day, with players ranging from fewer than 2 masterpoints to almost 5000 masterpoints. We are proud to build a community that players feel belong, no matter what level they are. It's great to see that our more experienced players are warm and welcoming, and the newer players are keen to discover more about this game.

Congratulations to the winners:

- **1st Team Halloran:** Phil Halloran, Chris Hamam, Sam Zilber and Sam York.
- **2nd Team Stoneham:** Alan Stoneham, Mitch Dowling, James Palmer and Matt Smith.
- **3rd Team Scudder:** Tony and Roslyn Howes, Marcia and John Scudder.

The Best Team (each players with fewer than 500 masterpoints) goes to **Team Rose:** Debbie Rose, Audrey Belt, Margaret Hagar and Gwen Rafferty. **The Best Team (each player with fewer than 50 masterpoints)** goes to **Team Bonic:** Michael Jackson, Claire Bonic, Denise Reid and Judy King.
