- 1.1 The ABF Club Teams Knockout (ACTK) comprises five separate events held in divisions as described in the Event Format section. The starting time shall be 7.30 pm (AEST in August and September, and AEDT in the other months).
- 1.2 The competition will be held under the Laws of Duplicate Bridge, 2017. The ACTK is conducted by the Australian Bridge Federation (ABF) in accordance with the ABF Tournament Regulations (ABF TR) as augmented by these Supplementary Regulations. In the case of any inconsistency, these Supplementary Regulations will take precedence.
- 1.3 The competition will be conducted on the RealBridge online platform. All events will be held on Normal mode.
- 1.4 Results on the RealBridge website are provisional only. The official results for the competition will be at [ABF Club Teams KO Results page](#)
- 1.5 Expressions used in these Regulations and not defined shall have their ordinary meaning in bridge terminology (which may include expressions defined in the Laws of Duplicate Bridge, 2017). Unless repugnant to the context or obvious meaning, all terms defined in the ABF TR shall have the same meaning for the purpose of these Supplementary Regulations. In the event of any doubt or dispute as to such meaning or the interpretation of the application of any regulation, the decision of the Chief Tournament Director (CTD) shall be final and conclusive.

## 3 Eligibility, Team Membership and Masterpoints

- 3.1 In order to compete, every player must be a financial member of the ABF Masterpoint Scheme and of an organisation affiliated to the ABF or to an Australian State Bridge Association.
- 3.2 To be eligible for divisions restricted by masterpoints, every player must have a masterpoint total fewer than the respective maximum as at 31-3-24.
- 3.3 Eligibility for divisions restricted by number of members will be based on the number of home club members as at 1-4-24.
- 3.4 All players must individually meet the eligibility criteria to compete. Masterpoints earned in another NCBO, irrespective of whether they have been transferred, shall be included for the purpose of determining a player's eligibility.

- 3.5 There is no limit to the number of players who may play in a team. A team may consist of any players who satisfy the requirements of 3.2 (if applicable) and:
- i) are home club members as recorded in the ABF Masterpoint Centre database; or
  - ii) have been an active member of the club for at least the previous two years. (For the purposes of satisfying this requirement, a player will be considered to be an active member if they have played at least 10 sessions at the club each year.)
- 3.6 Gold Masterpoints are awarded at Level A2, subject, in the divisions limited by masterpoints, to the Master Factor as outlined in the ABF Masterpoint Manual. Any sessional masterpoints won will be allotted to the players who competed in that session. Any overall masterpoints won will be allotted to the six players who played in the greatest number of boards. (If there are fewer or more than six such players, the masterpoints will be shared pro rata.)

- 5.1 Knockout (KO) matches will be held in two stanzas. A player who competes in the first stanza and is scheduled to play in the second stanza must retain the same compass position for the whole match.
- 5.2 Subject to 5.1, changes of pairs and of partnerships will be permitted between stanzas.
- 5.3 The RealBridge setting will be implemented whereby the pairs in each team will play different players from the opposing team in the second stanza.
- 5.4 Once a stanza has commenced, a pair must continue to play at that table unless permitted by the CTD in the case of emergency or misadventure.

#### **6 Correction Period and Time for Requesting a Review**

- 6.1 The Correction Period (Law 79C) and time for lodging a request for a review of a Director's ruling (Law 92B) expire at midday (AEST) on the day after the match was conducted.

#### **7 Unplayed Boards**

- 7.1 In the case of multiple unplayed boards where the Director awards an artificial adjusted score of average plus, artificial adjusted scores are awarded as detailed in the Appendices.
- 7.2 Where unplayed boards result in direct comparisons being available on fewer than one-half of the boards in the match, the match will be scored in accordance with ABF TR 15.1 (Forfeits).

## **8 Ties, Carry-overs**

- 8.1 Ties in the qualifying session (if held) will be broken in accordance with ABF TR 15, as described in the Appendices.

## 9.7 Consolation:

9.7.1 Teams failing to make the Knockout stage and any team defeated in a Knockout match may join the Consolation event(s).

9.7.2 The CTD will determine a format appropriate for the number of entrants.

9.7.3 Depending on the number of entrants, Consolation divisions will be combined to create a viable event.

9.7.4 If at all possible, a Swiss format will be used, with approximately 24 boards being played in each session. Teams defeated in Knockout matches will drop in to the Swiss on a score equal to the leader's score at the time.
