

2024 ANC Pre Tournament Bulletin – Four important matters

Dear All –

We are looking forward to seeing you all soon. In the meantime, some key announcements

1. Inbound arrivals to Orange Airport transfer to Orange

If you are flying into Orange airport not as part of a group please let John McKenzie know your flight , day and time of arrival via jmaconsulting@gmail.com **before 1 July 2024** and we will look to have sufficient maxi taxis at the airport for ANC participants to share. Hopefully this approach will reduce your cost of transferring from the airport into Orange.

2. Entry into the Orange Ex Services Club (including parking)

The OESC (231 Anson Street) have kindly made special arrangements to have the front door of the club open by 8.30 am (normally 10am). Parking (vehicles maximum height 2.2m) is via Byng Street alongside the Bridge Banner. For street parking check time restrictions carefully.

3. Lunch arrangements during the tournament

As the Ex-Services Club is a catered Venue food is **not** to be brought into the club. An affordable convenient lunch will be available for purchase on arrival from 8.30 am and able to be collected at lunch time. We encourage you to order on arrival alongside the welcome desk.

4. New Draw for a prize of 400 Bridge Credits for players in the Butler

Players who play all six days of the Butler Championship (viz Open, Restricted, Mixed or Swiss A or B) will go into a draw with a chance to win 400 Bridge Credits. A nice way to finish the tournament!
