- 1.1 The venues are the Canberra Rex Hotel, 150 Northbourne Avenue and the Canberra Common, 210 Northbourne Avenue, Braddon, ACT.
- 1.2 Players must use the methods and equipment in the manner specified by the Chief Tournament Director (CTD) or Tournament Organiser (TO). Players must record the score for each board after it is played and before the commencement of the next board. It is an offence to leave the table at the conclusion of a match without first confirming the completeness and validity of the data entered into the scoring unit. Every player present at the table is equally responsible for the accuracy of the scores.

- 1.3 Smoking is not permitted in the playing areas or in any other area designated by the TO as a non-smoking area. Breach of this regulation incurs a disciplinary penalty (see 6.3)
- 1.4 Mobile telephones, iPads, iPods and other electronic communication equipment must be switched off during session time and must be left at the table if a player leaves the table during a match. Breach of this regulation incurs a disciplinary penalty, after one warning (see 6.3)
- 1.5 Mobile telephones, iPads and other electronic communication equipment may not be used during the session, unless a specific exception is permitted by the CTD. Breach of this regulation incurs an automatic disciplinary penalty (see 6.3) in the first instance. In the case of further breaches by the same unit, the CTD will assess a more severe penalty, which may include forfeiture or disqualification.
- 1.6 Players in the final series of Teams events must lodge any mobile phone or other electronic communication device in their possession with the TO during session time. Breach of this regulation incurs an automatic disciplinary penalty (see 6.3) in the first instance. In the case of further breaches by the same unit, the CTD will assess a more severe penalty, which may include forfeiture or disqualification.
- 1.7 The TO may grant permission for still or moving photographs to be taken during the course of the event. Players may only refuse to be photographed for religious or cultural reasons deemed valid by the TO or CTD.
- 1.8 In Swiss events, if the number of entrants is fewer than twice the number of rounds to be played, the modified Swiss format may be implemented (see Appendices). Alternatively, or in addition to, the TO may elect to combine fields in concurrently running events or to vary the published formats in any way to ensure the efficacy of the movement and the validity of the competitions.
- 1.9 Expressions used here that have not been assigned a specific definition will be interpreted by referring first to the ABF Tournament Regulations, thereafter to the Laws of Duplicate Bridge, 2017, and finally to their ordinary English meaning. In the event of doubt or dispute, the decision of the CTD shall be final and conclusive.

2 Officials

- 2.1 The Tournament Organiser is Laura Ginnan.
- 2.2 The Chief Tournament Director is Laurie Kelso.
- 2.3 The Reviewers are Jonathan Free, Shane Harrison and Jodi Tutty.
- 2.4 The Review Consultants are Stephen Fischer and Matthew McManus.
- 2.5 The ABF on site representatives are Warren Lazer and Matthew McManus.
- 2.6 The Recorders are Kim Frazer, Bob Sebesfi and Richard Ward.

3 Eligibility, Augmentation and Substitutions

- 3.1 At the time of commencement of an event, each Australian resident entrant must be a financial member of the ABF Masterpoint Scheme and of an organisation affiliated to the ABF or to an Australian State Bridge Association. Overseas players become honorary members of the Foreign Players Club.
- 3.2 All players must individually meet the eligibility criteria to compete in events. This includes those events where players must be under the stated masterpoint range or age as of the dates specified. Masterpoints earned in another NCBO, irrespective of whether they have been transferred, shall be included for the purpose of determining a player's eligibility
- 3.3 Overseas players may enter events restricted by masterpoint holding however they must quote their local registration number and be eligible to play in equivalent events in their own country. Entry to any such event will only be granted after the applicant's eligibility has been verified. The TO's decision in respect to such eligibility is final and not subject to appeal.
- 3.4 Other eligibility conditions are set out in the document, 2026 SFOB Event Details.
- 3.5 With the consent of the CTD, a team may augment to a maximum of 6 players up until the end of the Augmentation Time. The Augmentation Time for an event expires at the commencement of Match $n/2 + 1$ (rounded down), where n is the number of matches to be played. Any player so added to the team must not have played previously in another team in the same event. No augmentation is permitted in the **NOT**.
- 3.6 The CTD may approve substitutions in any event. The maximum number of substitutions will be equal to one-half the number of matches, stanzas or sessions (fractions rounded down) in the stage of the event in which the substitution is requested. In addition, the CTD may allow emergency substitutions for substantial cause and may impose any conditions in doing so and may take whatever other action is considered necessary to keep the tournament in motion.
- 3.7 To ensure the smooth running of the tournament, the TO may nominate a "house contestant" to compete in any event. The TO will make every effort to nominate eligible players, but is at liberty to nominate others in case of necessity. The conditions under which the "house contestant/s" compete will, subject to ABF TR 1.9, be at the discretion of the CTD.

4 Systems and Defences

- 4.1 Subject to 4.2 and 4.3, GREEN, BLUE and RED systems and BROWN STICKER conventions are permitted in all events.
- 4.2 RED systems and BROWN STICKER conventions may not be played in the **NAR**, **RookieAR**, **300SP** and **RAR**. In these events, the CTD may also further restrict a pair from playing any method which the director judges may not be readily understood by a significant proportion of players in the field.
- 4.3 Eligible pairs may claim Protected Pair status in the **CDP**, **SP**, **750SP** and **IAR**.
- 4.4 Provided 4.5 has been complied with, YELLOW systems will be allowed in the **SWPT** from Round 2 onwards, but may not be played against a contestant with a current position in the lower two-thirds of the field (decimals rounded up). In addition, YELLOW systems may be played in all matches of the **NOT**.

- 4.5 Pairs intending to play a YELLOW system must provide the TO with an adequately completed ABF system card and a bona fide defence before January 7, 2026.

5 Seating

- 5.1 In all matches or stanzas where YELLOW systems are permitted, teams registering one or more YELLOW systems for that event lose all seating rights in matches or stanzas against a team not employing a YELLOW system.
Exceptions:
i) matches and stanzas when both teams have registered one or more YELLOW systems;
ii) in all stanzas in the **NOT**.
- 5.2 Apart from in Knockout matches where 5.3 applies and subject to 5.1, YELLOW systems may be played only if the seating is posted within 10 minutes of the publication of the draw.
- 5.3 In Knockout matches, the team finishing higher in the qualifying stage chooses whether to sit first or last in the first stanza. Seating rights alternate in subsequent stanzas. The team sitting first must post their line-up on the designated line-up sheet at least 10 minutes before the scheduled commencement of play. Provided the team sitting first has satisfied the requirement of this provision, their opponents must post their line-up at least 5 minutes before the scheduled commencement of play.
- 5.4 In other cases, seating rights for each match will be determined by toss of a coin.

6 Disciplinary and Procedural Penalties

- 1.1 In a Swiss movement penalties are included in the overall ranking, but the draw is determined by the scores excluding penalties.
- 6.1 The general provisions of ABF TR 10 concerning punctuality and slow play apply. The table of penalties is listed in the Appendices.
- 6.2 The disciplinary penalty for breach of regulations relating to smoking (1.4) and mobile phones (1.5, 1.6, 1.7) is 3 VPs or 9 IMPs.

7 Session Timing, Correction Period and Time for requesting a Review

- 7.1 The time allowed per match, round or session will be announced by the CTD.
- 7.2 In Swiss Pairs and Teams events, the draw for subsequent matches will be made at the time listed below or at some other time as determined by the CTD, based on the results available at that time:
20 board matches – 160 minutes after the start time of the match
14 board matches – 105 minutes after the start time of the match
9 board matches – 66 minutes after the start time of the match
8 board matches – 60 minutes after the start time of the match
- 7.3 The Correction Period (Law 79C) in Swiss Pairs and Teams events expires at the starting time of the next but one match or stanza. For the penultimate and final matches or stanzas in a stage it expires 30 minutes after the scores for the final match or stanza are made available for inspection. In Pairs events, the Correction Period for all sessions expires 30 minutes after the scores are made available for inspection.

- 7.4 The Time for requesting for a Review of a Director's Ruling (Law 92B) for each match or stanza (Teams or Swiss Pairs) or session (Pairs) expires 30 minutes after the score is made available for inspection, unless the next match, stanza or session is scheduled to commence within that period. In that case it is extended to the expiration of the Time for requesting a Review for the next match, stanza or session.

8 Fouled and Unplayable Boards

- 8.1 In Teams events, the result of a fouled board is cancelled and a substitute board is played at both tables unless the result of the match is known or any of the players has left the table at the conclusion of that round. In these cases where a single board is cancelled, a score of 3 IMPs is assigned for both sides.
- 8.2 In IMP scored Swiss Pairs events, where a single board is fouled, the board is scored by:
(a) treating the board as two separate entities and calculating separate datums after eliminating the two (4-6 results) or four (more than 6 results) extreme scores, respectively; or
(b) cancelling one or more of its results and awarding a score of 2 IMP to those contestants whose score was cancelled.
- 8.3 In matchpoint events, where a single board is fouled, the assigned matchpoint score is 60% of the available matchpoints on the board awarded to both sides.
- 8.4 In the case of multiple fouled boards, artificial adjusted scores are awarded as detailed in the Appendices.
- 8.5 For boards on which a result is unable to be obtained and the Director awards an artificial adjusted score of average plus, the provisions of 8.1 to 8.4 will apply.
- 8.6 In the **NOT** and finals series matches of any teams event, a fouled board discovered after either table has finished play in a stanza will (with the exception of the final stanza of a match) be replaced by the play of an additional board in the following stanza.
- 8.7 In Swiss Pairs and Teams events, where due to the fouling of multiple boards, direct comparisons are available on less than one-half the boards in the match, the match will be scored in accordance with ABF TR 15.1 (Forfeits), treating both units as non-offenders.

9 Tie-breaking, carry-overs and scoring

- 9.1 Ties for qualification to the **WT** and **ST** finals series or to the **NOT** will be broken in accordance with ABF TR 17.
- 9.2 In each quarter-final, semi-final or final match, the team placed higher in the qualifying will have a carry-over of 0.1 IMPs. For the determination of carry-overs, ties on VPs at the conclusion of the qualifying will be broken in accordance with ABF TR 17.4.
- 9.3 Ties for first place will only be broken in the **OSP**, **750SP** and **300SP** in accordance with ABF TR 17.4.1.
- 9.4 Unless otherwise noted, the net IMP result in all qualifying matches in Teams events will be converted to Victory Points (VP) using the continuous WBF VP Scale for the number of boards in play.

10 Playoff Qualifying Points (PQP)

- 10.1 To be eligible for PQP in the **SWPT**, a pair must play as a partnership in at least six matches.
- 10.2 To be eligible for PQP in the **NOT**, a pair must have satisfied 10.1 and must play as a partnership in at least two stanzas in each match played in the **NOT**.
- 10.3 To be eligible for PQP in the **MMSP**, a pair must play as a partnership in at least five matches.
- 10.4 Tied teams and pairs share the available points, rounded to the nearest whole number (0.5 rounded up).

Appendices

Penalties for Late Arrival, Slow Play, Failure to enter or check scores

The penalties for Late Arrival and Slow Play under ABF TR 10 are:

0-5 mins	warning for first offence, then 1 VP for each subsequent offence
5-10 mins	1 VP
10-15 mins	2 VPs
15-20 mins	3 VPs
20-30 mins	5 VPs

For late arrival in excess of 30 minutes, the CTD may assess a more severe penalty including forfeiture of the match and/or disqualification from the event.

When boards are cancelled by the director due to a failure to complete them on time and a slow play warning has previously been issued to a pair or team, the following penalties may be applied at the director's discretion:

One board	1 VP
Subsequent boards	2 VPs

Should the players leave the table, when they have failed to enter one or more scores into the scoring unit or when an incorrect score has been entered and agreed, the following penalties may be applied to both pairs:

Events scored by Victory Points:

First offence	warning
Subsequent offences	1 VP per occasion

Events scored by Matchpoints:

First offence	warning
Subsequent offences	25% of a top

Tie-breaking in Swiss

Unless otherwise noted, significant ties in Swiss events are broken by (in order): sum of opponents' VPs, number of wins, net IMPs, lot. (ABF TR 15.4.1)

Victory Point Scale for CDP and MMSP

Where x is the pair's average percentage for the round (rounded to 2 decimal places - 0.005 rounded up):

- When x is less than or equal to 30.00: $VP = 0.00$
- When x is between 30.00 and 42.50: $VP = (x-30)*2/5$
- When x is between 42.50 and 57.50: $VP = (x-35)*2/3$
- When x is between 57.50 and 70.00: $VP = (x-60)*2/5$
- When x is greater than or equal to 70.00: $VP = 20.00$

Masterpoint restricted events - New Zealand players' eligibility to play and for category prizes

To be eligible to play – or to receive a category prize in a multi-grade event – NZ registered players must satisfy the following criteria:

<750: less than NZ National Master as at 30-9-25

<300: less than NZ Provincial Master as at 30-9-25

<100/Novice: less than NZ Local Master as at 30-9-25

Rookie: less than NZ Certificate of Proficiency as at 30-9-25

Masterpoint restricted events - Grand Slam players' eligibility to play and for category prizes

To be eligible to play, Grand Slam players must state their rating when entering and must satisfy the following criteria at the time of entry:

<750: Grand Slam rating 59% and under

<300/Non-Life Master: Grand Slam rating under 56%

<100/Novice: Grand Slam rating under 54%

Calculation of multiple Average Plus awards during a session or match

Where the Laws require the Director to award an artificial adjusted score of average plus on more than one board in a session or match (as in the case of fouled or otherwise unplayable boards), the score awarded per board shall be as listed in the table below.

In IMP scored events, the net IMPs in a match assigned due to these formulas will be rounded to the nearest IMP (0.5 IMPs rounded up).

In matches with multiple fouled boards resulting in the number of direct comparisons available being fewer than one half the number of boards, the match will be scored as a forfeit treating both units as non-offending. Forfeited matches are scored as 13 VPs for each side (assuming a 20 point VP scale is being used). Further adjustments at the end of the event may be appropriate in accordance with ABF Tournament Regulation 15.

The following table lists the IMPs/percentage to be assigned for each successive board in the case of multiple average plus boards:

Number of fouled/unplayable bds	IMPs assigned (Teams)	IMPs assigned (Pairs)	Percentage assigned (matchpoints)
1	3	2	60.00
2	1	1	54.14
3	1	0	53.18
4	1	1	52.68
5	1	0	52.36
6	0	1	52.13
7	1	0	51.97
8	0	1	51.82
9	1	0	51.72
10	0	0	51.62

Modified Swiss format

In Swiss Pairs or Swiss Teams events where the number of entrants is fewer than twice the number of rounds to be played, a round-robin or modified Swiss format will be implemented.

If the numbers are appropriate, a full round robin movement will be implemented, with the possibility of a round or rounds to determine final placings.

Otherwise, a normal Swiss movement will be used up to and including Round $n/2 + 1$ (even number of rounds) or Round $(n+1)/2$ (odd number of rounds). In subsequent rounds, the Swiss movement continues with all scores retained, but a unit may play another unit which it previously played in the first “half” of the event.
